- Use for any Sport requiring multiple camera angles
- Built in UDC - TBC - FS if needed
- Both feeds arrive at destination in perfect time
- DP signal can be sent via SDI, Fiber, HDMI, or IP -(Feed SDI to your existing encoder or use NXT-450 rather than 430-X)
- Portable - can be moved easily
- Use the NXT's other features to increase your ROI

SDI Signal 

Microwave Link 

Fiber Link
